

# VANDAL - RESISTANT BUTTON OPTIONS

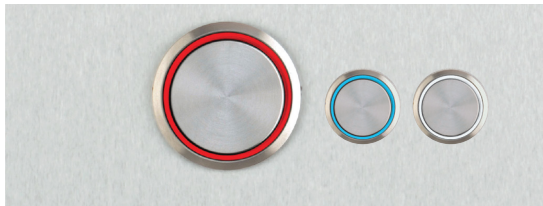

## Improve the look of your elevator cabin interior

We had your best interest in mind when creating our latest vandal resistant buttons. With several sleek options to choose from, these retrofit kit options don't require a full modernization. This means major cost savings for you and extra protection for your elevator interior.

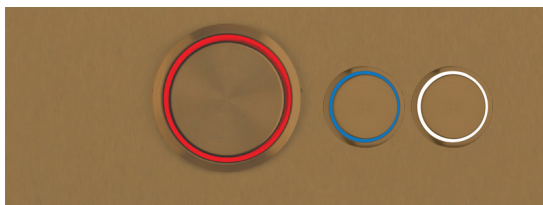

### Features and benefits

- Meets all National Fire Service codes for the U.S. and Canada
- No need to fully modernize your entire car operating panel
- LED-illuminated buttons available in red, white or blue

### V7 Classic Series

### V8 Classic Series

### V2 Series - California Style
